

The Naval Safety Center Web site contains over 14,000 pages of useful safety information. Our goal is to provide you with the the tools you need to help prevent mishaps. You might be overwhelmed by the abundance of information on your first visit, so here are a few suggestions on where to start your tour.

---

**Photo of the Week** - Our most popular item. Just when you think you've seen it all, someone digs up a new photo that defies the laws of safety. Printable versions are popular for hanging on bulletin boards and in the stalls of bathrooms.
