

BROWNSHOES IN ACTION COMIX

The kind real aviators like
by Cdr. Ward Carroll

A Brownshoes Christmas

A NATOPS for the skipper, with plastic cover of blue and because he's very busy, the latest changes are put in, too.

With a twinkle in his eye
and a bright, red coat,
Dangerboy Kringle
Arcs 'round the boat.

Rapping on the bulkhead,
prancing on the tile,
he's got a bag of goodies
to make his shipmates smile.

Drysuits for the aircrew
For when the weathers's cold
They're fun to wear, not to mention,
a fashion statement bold.

For sometimes pungent roommates,
lots of bars of soap,
and because they do get slippery,
each one's on a rope.

Wow!
What'll they
think of next?

So brief the flight and fly the brief,
and keep a centered ball,
Happy holidays to the fleet,
and peace on earth to all.
