

Piggyback Rider

Sometimes you've just gotta close your eyes, shake your head, and breathe a sigh of disbelief. I mean, take a look at this guy, trying to keep a brand-new computer from falling out of the trunk.

Geez, what does this guy think he's going to do if he falls off? Bounce? Folks, there's one fact of life everyone needs to learn. If you fall from a vehicle in motion onto the pavement, your chances of just walking away are not all that good ... regardless of what you've seen on television.

Well, look on the bright side ... maybe he'll use that new computer to log on the internet and see his picture. OK everyone, all at once, let's tell this guy what he should do next time. Ready? "Get some rope!"
